

## European Commission Calls to Action and Citizen Activities

The Green Deal Going local is structured around the following campaign activities:

- **European Green Deal debates** at the institutional, national, regional and local level – debates at all levels that feed into the European Green Deal.
- **My Green Story** – mapping, promoting and sharing climate commitments and actions and local and regional best practices on the European Green Deal.
- **European Green Deal: Handbook for Local and Regional Governments** – a living resource hub on accessing support to develop and implement Green Deal policies and projects.
- **Trees For Life** – promoting commitment and facilitating action on reforestation and urban greening, contributing to the EU's plan to plant three billion trees.
- **Green Our Mobility** – promoting the EU's priorities on sustainable mobility and local and regional efforts to decarbonise the transport sector.
- **Facilitating access to funds** – sharing information on financing key areas of the green transition, including webinars and [conferences](#).
